

## Special Announcement for Manufacturers and Suppliers:

The 2008 Summer Field Conference will have display tables available to rent. You can expect to reach more than 200 attendees that are expected to attend.

Again for 2008: You will be able to rent large equipment display plots where, for example, a new drilling rig model could be displayed and operated. Display equipment may not be operated when in direct conflict with the public educational demonstrations, but during times on Friday designated for the operation of display equipment. The large equipment display lots will accommodate anything that won't fit on a tabletop. Take advantage of this opportunity to demonstrate your equipment.

Manufacturers and Suppliers are welcome to sponsor meals and cold drinks at the Summer Field Conference.

Details will be on the pgwa website, [www.pgwa.org](http://www.pgwa.org).

If you have any display-related questions, contact **Todd Giddings @ 814-238-5927**, or **Todd Reichart, @ 717-632-2249**.
