

Membership Application

for the Pennsylvania Ground Water Association

Who We Are: We are persons or companies engaged in drilling or constructing water wells, monitoring wells, or geothermal wells in Pennsylvania; manufacturing or supplying equipment to accomplish those tasks; studying, teaching or perfecting related technology; or evaluating or developing ground-water resources in Pennsylvania.

We have six Divisions of Membership:

Contractors Division: individuals or corporations engaged in the business of water well, monitoring well, and geothermal well drilling, including pump installation.

Manufacturers Division: any person, firm, or corporation engaged in the manufacturing of equipment, materials, or supplies used in the ground-water industry.

Suppliers Division: any person, firm, or corporation engaged in the supplying of equipment, materials, or supplies used in the ground-water industry.

Technical Division: any person, firm, or corporation engaged in the supervision, regulation, evaluation, development, or investigation of underground water or ground-water supply installations or related technology or any individual in an accredited university, college, or preparatory school, public or private, teaching subject matter embracing the water well industry.

Associate Division: any person interested in the work of the Association who is not eligible for membership under other divisions, such as students, may become an Associate Member.

Honorary Division: Persons of acknowledged eminence from outside of the ground-water industry, who have contributed some special service to the industry or to the Association, may be elected to Honorary Membership upon the recommendation of the Board of Directors. Honorary Members are exempt from membership fees and dues, and shall be entitled to all privileges and benefits as established by the Board of Directors.
