

**Why should you have
a display table
at the 2012 PGWA
Winter Conference?**

- This is an excellent opportunity to reach hundreds of existing and potential customers - all at the same time.
- Our exhibit hall floor space is more than adequate to meet with people and display your products.
- The reception and silent auction has been enhanced, and extended, and is being held in the Exhibit Hall. We will split the food and drinks so that maximum traffic will be realized.
- Your competition will be there! PGWA assigns booth space on a first come, first-served basis, while making every reasonable effort to avoid placing direct competitors right next to each other.

Don't miss this opportunity to meet and greet the largest audience of ground water industry professionals in Pennsylvania!

**Scholarship
Auction
Fundraiser**

Yes, I'll bring a prize for the Scholarship Auction. We are asking each sponsor/exhibitor to please donate a prize to be auctioned on Thursday evening at the reception. This is a fundraiser to support the PGWA Scholarship Fund.

Attention Manufacturers and Suppliers!

Please join us January 26 and 27, 2012, as an exhibitor or sponsor at the 2012 PGWA Winter Conference.

The fee for each display table is **\$325** (additional **\$25** if an electric hook-up is needed). The rental fee includes **one person** to staff the exhibit table, and **sponsorship** for the reception. A reception sponsorship without renting a display table is **\$225**.

After our **Special Sponsors** (see page 3) have chosen their locations, tables will be located on a first-come, first-assigned basis.

Display backdrops are limited to the tabletops.

Each display and demonstration table is six feet wide by 30 inches deep. If your exhibit is large, you may wish to consider renting a double or triple space.

The display table fee includes one person, register all staff below. Everyone attending must be registered for the conference. This fee covers the meals and conference materials for each individual manning the booth.

Setup for tables begins at 8:00 a.m. on Thursday, January 26. We are asking that you not tear down your exhibit before noon on Friday.

Please call Rose Ann Hoover at **814-933-8714** if you have any questions. Use the registration form below to register today and obtain the prime booth locations!
