

## Special Announcement for Manufacturers and Suppliers:

The 2010 Summer Field Conference will have display tables available to rent. If you manufacture or sell products or equipment for geothermal heat pump systems, you should consider having a display table.

Again for 2010: You will be able to rent large equipment display plots where, for example, a new drilling rig model could be displayed and operated. Display equipment may not be operated when in direct conflict with the public educational demonstrations, but during times on Friday designated for the operation of display equipment. The large equipment display lots will accommodate anything that won't fit on a tabletop. Take advantage of this opportunity to demonstrate your equipment.

Manufacturers and Suppliers are welcome to sponsor meals and cold drinks at the Summer Field Conference. To do so, contact PGWA Executive Director **Bob Reichart** at 717- 632-2249.

Details are on the PGWA Web site.

If you have any display-related questions, contact  
**Todd Giddings @ 814-238-5927,**  
or **David Powell @ 610-459-1098.**

## Request for Volunteers for help to set up, assist in the demonstrations, and clean up at the Summer Field Conference

To accommodate more than 200 attendees and park 150+ vehicles, we need volunteers! Set up will be in the afternoon and evening of Thursday, June 10th, and clean up will be on Friday afternoon from 4:30-5:00pm. Please contact the Summer Field Conference Co-Chairmen  
**Todd Giddings @ 814-238-5927,**  
or **David Powell @ 610-459-1098.**  
**CALL TO VOLUNTEER.**
